

Customer Guide: Public Access to Plan Review Status

➔ **HINT:** Owners or consultants who feel out of the loop because they don't have access to the EPM project dashboard will appreciate this connection to real time information on a project.

(STATMAP's)

- 1 At the [Code Enforcement](#) website, select the **OWNER & DEVELOPERS** button.
- 2 Then under [CHECK PROJECT STATUS](#), select the **PLAN REVIEW** link:
- 3 Enter the EPM project number and click **SEARCH**:

If EPM project number is unknown, select **VIEW PERMITS** and the search can be run by address, project name or permit number.

This will open up your **PROJECT PAGE**.

- 4 Select **PLAN REVIEW STATUS** to access all the plan review comments:
