*****LOW INCOME HOMESTEAD EXCLUSION FOR THE ELDERLY OR TOTALLY AND PERMANENTLY DISABLED (NON-VETERANS)*****

North Carolina excludes from property taxes the first \$25,000 or 50% (whichever is greater) of assessed value for specific real property or manufactured home occupied by the owner as their permanent residence.

To qualify for the exclusion, applicants must meet the following requirements:

1. Applicant must be 65 years of age or older, OR totally and permanently disabled. If not 65 or older and are claiming total and permanent disability, you will need a Certificate of Total and Permanent Disability from a North Carolina physician or governmental agency licensed to practice medicine. You must have a physical or mental impairment that substantially precludes you from obtaining gainful employment and appears reasonably certain to continue without substantial improvement throughout your life.
2. Applicant must be the legal owner listed on the title as of January 1.
3. Total annual income for the applicant (and their spouse) must not exceed the *annual income limit for this program. Income documentation must be submitted. Income is defined as ALL monies received other than gifts or inheritances from a spouse, ancestor, or descendant. For married applicants residing with their spouse, the income of both spouses must be included even if only one is listed as the owner of the property.

If you are currently receiving the exclusion, you are subject to an audit every four years. However, current recipients are required to notify our office if their income now exceeds the *annual income limit, or if they are no longer totally and permanently disabled, or if the person receiving the exclusion last year became deceased prior to January 1:

- The person required by law to list the property must notify the Mecklenburg County Assessor's Office.
- The surviving spouse or joint property owner is required to reapply for the exclusion.

Failure to make any of these notices before June 1 may result in penalties, interest, and the possible loss of the exclusion.

*****TOTALLY AND PERMANENTLY DISABLED VETERANS*****

North Carolina excludes from property taxes the first \$45,000 of assessed value for specific real property or a manufactured home which is occupied by the owner as their permanent residence.

To qualify for the exclusion, applicants must meet the following requirements:

1. You must be an honorably discharged veteran who has a 100% total and permanent disability that is service-connected.
2. You must have a Veteran's Disability Certification from the Veterans Administration or a federal agency.

Disability PENSIONS are NOT Service-Connected.

SEE REVERSE FOR INFORMATION ABOUT THE TAX DEFERMENT (CIRCUIT BREAKER) PROGRAM.

***** PROPERTY TAX DEFERMENT FOR THE ELDERLY OR TOTALLY AND PERMANENTLY DISABLED
(CIRCUIT BREAKER) *****

Under this program, annual property taxes are limited to a percentage of the owner's income. For an owner whose income does not exceed the *annual income eligibility limit for the Low Income Homestead Exclusion, the owner's taxes are limited to 4% of their (combined spousal) income. For an owner whose *annual income exceeds the limit but by no more than 150%, the owner's taxes will be limited to 5% of their (combined spousal) income. The taxes exceeding the applicable percentage of the owner's income will then become deferred (postponed) along with interest until a disqualification.

To qualify for this deferment (postponement of payment), the applicant must meet the following requirements:

1. Applicant must be 65 years of age or older, OR totally and permanently disabled. If not 65 or older and are claiming total and permanent disability, you will need a Certificate of Total and Permanent Disability from a North Carolina physician or governmental agency licensed to practice medicine. You must have a physical or mental impairment that substantially precludes you from obtaining gainful employment and appears reasonably certain to continue without substantial improvement throughout your life.
2. The applicant must be the legal owner listed on the title as of January 1 for the last five years.
3. The total *annual income for the applicant (and their spouse) must not exceed the *annual income limit of the Low Income Homestead Exclusion by 150%. Documentation as to the owner's income must be submitted along with the application. Income is defined as ALL moneys received other than gifts or inheritances from a spouse, ancestor, or descendant. For married applicants residing with their spouse, the income of both spouses must be included; even if only one is listed as the owner of the property.
4. ALL OWNERS of the property must apply and elect to defer the applicable portion of their taxes.
5. A new application is required annually.

***Annual Income Eligibility Limit changes every year. Please contact 980-314-4CAO (4226) or visit our website at www.MeckNC.gov to obtain the specific income amount applicable.**
