				Implementation Status	
Risk Observation	Recommendation	Management's Risk Mitigation Strategy	Original Implementation Date	Current Status	Comments
3.1	Internal Audit recommends management ensure contract payments are appropriately reconciled against supporting documentation.	As of April 1, 2014, Park staff provides monthly invoices to each instructor, which include the number of documented participants, the total amount due per class and the date the payment is due. The backup documentation (class roster) is signed by the instructor and a Park Staff, confirming the number of participants in each class. The invoice and supporting documentation are emailed to each instructor and the PRK-Accounting mailbox. The invoice, supporting documentation and payment received are reconciled monthly by Park Accounting Staff.	04/2014	IO	Internal Audit determined the reconciliation of contract payments to supporting documentation did not occur as designed. Management indicated the department is providing additional training to all staff, and a new contract position dedicated to contract management has been filled.
