Subject: Health Department Community Alternatives Program Follow-up Audit Report 2109

The Department of Internal Audit completed a follow-up audit on reported issues from the Health Department Community Alternatives Program (CAP) Audit Report 1561 issued April 19, 2016. The follow-up audit objective was to determine with reasonable but not absolute assurance whether management took effective corrective action on the issues presented in the audit report.

Internal Audit staff interviewed key personnel; observed operations; reviewed written policies, procedures, and other documents; and tested specific transactions where applicable. Internal Audit conducted this audit in conformance with The Institute of Internal Auditor's International Standards for the Professional Practice of Internal Auditing.

FOLLOW-UP SUMMARY

There were fifteen recommendations in the CAP Audit Report 1561. The following table provides the original number of recommendations and summarizes the follow-up audit results performed to date.

2.2	Internal Audit recommends management ensure case managers contact beneficiaries and service providers as required by the Division of Medical Assistance.	The CAP Program management implemented a process in February 2016 that utilizes the electronic record documentation system's Monitoring Module to prompt CAP Staff when monitoring tasks are due for each beneficiary. Tasks remain in the Monitoring Module queue until completed. Manager/Supervisors review the monitoring queue at least monthly to ensure tasks are completed.	02/2016	I
