

DO NOT ENTER IF YOU COULD SPREAD COVID-19

If you **have a fever or other symptoms of COVID-19**, go home and isolate until you feel well.

If you **tested positive for COVID-19** in the last 6 days, go home and isolate until it has been 6 days since your positive test.

If you **tested positive for COVID-19** in the last 10 days and completed 6 days of isolation, put on a mask and proceed inside.

If you **have been exposed** to someone with COVID-19 in the last 10 days, put on a mask and proceed inside.

If you tested positive for COVID-19 more than 11 days ago or **tested negative** twice after 6 days of isolation, proceed inside.
