

## COVID-19 Recovery and Renewal Task Force

The COVID-19 Recovery and Renewal Task Force was established to examine and help address COVID-19 impact issues specific to employees, businesses, public health, education, the economy, and the overall well-being of the Mecklenburg County residents. The Task Force will develop a comprehensive Recovery and Renewal Plan of Action in the following substantive areas:

- Access to health care and eliminating health disparities
- Mental and emotional health
- Economic recovery, including help for small business
- Non-profit recovery and human services
- Education and childcare
- Working families and vulnerable populations
- Housing and homelessness
- Jobs and workforce development
- Food security
- Arts and culture
