

# Halloween 2021 Safety Tips

Halloween is not so scary this year, but COVID-19 is still lurking. Follow Mecklenburg County Public Health's recommended safety precautions to get all of the treats with none of the tricks!

Getting **VACCINATED** or your **BOOSTER** shot if you are eligible **BEFORE** Halloween

Delaying getting vaccinated if you are eligible

Celebrating with your family at home or virtually or choosing safe trick-or-treating activities while following COVID-19 safety precautions:

- Stay outdoors
- Limit to small group
- Socially distance from others
- Avoid crowded areas
- Wear a mask (a costume mask is not a substitute)

Hosting or attending indoor or outdoor events where COVID-19 safety precautions can't be followed, including the indoor mask mandate, or if you are sick or may have COVID-19

Get a COVID-19 test if you have been in close contact with anyone who has tested positive for COVID-19, especially if you are not vaccinated or have COVID-19 symptoms.
