- Ask VA to help you fill out the form by calling or visiting a VA health care facility. Before you call or go to the VA health care facility, gather the necessary materials identified in Step 2 of the instructions and complete as much of the form as you can.

**How can I contact VA if I have questions?**

- Look in your telephone book blue pages under "United States Government, Veterans" to locate your local VA health care facility.
- Call VA's Health Benefits Service Center toll-free at 1-877-222-VETS (8387).
- Access our website at <http://www.va.gov> and select "Contact the VA."
- If you desire a health care appointment, contact the Enrollment Coordinator at your local VA health care facility for assistance in scheduling an appointment.

*Complete only the sections that apply to you and sign and date the form.*

## **Step 2: Completing your application ...** Review the table in Step 1 to find out what sections you should complete.

Answer all questions in those sections. If you need more space to answer a question, attach a sheet of paper to the form containing your name and Social Security Number. For each question that you need more room, write "Continuation of Item" and write the section and question number.

**Section II - Insurance Information.** Include information for all health insurance policies that cover you. If you have more than one health insurer, provide this information on a separate sheet of paper and attach to the application. If you have access to a copier, attach a copy of your insurance cards, Medicare card and/or Medicaid card (Medicaid is a federal/state health insurance program for certain low-income people). Bring these cards with you to each health care appointment.

**Section IV - Military Service Information.** If you are not currently receiving benefits from VA, you should attach a copy of your discharge or separation papers from the military (such as DD 214 or, for WWII veterans, a "WD" Form), with your signed application to expedite processing of your application.

If you indicate that you received a Purple Heart Medal, we will check our records for confirmation of your status. If we are unable to confirm your status as a Purple Heart Medal recipient, we will ask you to provide VA a copy of your DD-214 or other military service records or orders indicating you were awarded the medal. To reduce processing time, you may submit a copy of this documentation with your signed application.

**Section VI - Financial Disclosure.** The financial assessment is used to determine whether certain veterans qualify for cost-free health care services for their nonservice-connected conditions and to assign their priority for enrollment. You should review the table in Step 1 to see if your eligibility for health care benefits requires or may be based on a financial assessment.

If your financial information is used to determine your priority for enrollment and you choose not to disclose this information, you must agree to make copayments. However, please be aware that even if you agree to pay copayments, you may not be eligible for enrollment and other health care benefits for your nonservice-connected conditions, if you are placed in a priority group that is not eligible for enrollment.

If a financial assessment is not used to determine your priority for enrollment, you may choose not to disclose your information and agree to make copayments for treatment of your nonservice-connected conditions. If a financial assessment is used to determine your eligibility for travel assistance, and you do not disclose your financial information, you will not be eligible for this benefit for your nonservice-connected conditions.

**Section VII - Dependent Information.** Use a separate sheet of paper for additional dependent children.

- You may count your spouse as your dependent even if you did not live together, as long as you contributed \$600 or more in support last calendar year.
- You may count your biological children, adopted children, and stepchildren as dependents. But these children must be unmarried and under the age of 18, or be at least 18 but under 23 and attending high school, college or vocational school on a full or part-time basis, or have become permanently unable to support themselves before reaching the age of 18.
- Count child support contributions even if not paid in regular set amounts. Contributions can include tuition payments or payments of medical bills.

**Section VIII - Previous Calendar Year Gross Annual Income of Veteran, Spouse and Dependent Children.**

Use a separate sheet of paper for additional dependent children.

- Report: gross annual income from employment, except for income from your farm, ranch, property or business, including information about your wages, bonuses, tips, severance pay and other accrued benefits and your child's income information if it could have been used to pay your household expenses
- Report: net income from your farm, ranch, property or business.
- Report: other income amounts, including retirement and pension income, Social Security Retirement and Social Security Disability income, compensation benefits such as VA disability, unemployment, Workers and black lung, cash gifts, interest and dividends, including tax exempt earnings and distributions from Individual Retirement Accounts (IRAs) or annuities

**Section IX - Previous Calendar Year Deductible Expenses.** Report nonreimbursed medical expenses paid by you or your spouse. Include expenses for medical and dental care, drugs, eyeglasses, Medicare, medical insurance premiums and other health care expenses paid by you for dependents and persons for whom you have a legal or moral obligation to support. Do not list expenses if you expect to receive reimbursement from insurance or other sources.

**Section X - Previous Calendar Year Net Worth.** Use a separate sheet of paper for additional dependent children.

Your net worth is the market value of all the interest and rights you have in any kind of property. However net worth does not include your single-family residence and a reasonable lot area surrounding it. It also does not include the personal things you use every day like your vehicle, clothing and furniture.

## **Step 3: Submitting your application ...**

### **What do I do when I have finished my application?**

- Read Section V, Consent to Copayments, Section XI, Paperwork and Privacy Act Information and Section XII, Assignment of Benefits.
- Make sure you sign and date VA Form 10-10EZ in Section XII. You or an individual to whom you have delegated your Power of Attorney must sign and date the form. If you sign with an "X", then you must have 2 people you know witness you as you sign. They must then sign the form and print their names. If the form is not signed and dated appropriately, VA will return it for you to complete. This will result in a delay in processing your application.
- Attach any continuation sheets and necessary material to your application.

**Where do I send my application?** Mail the original application with a copy of your supporting materials to your local VA care facility. You can find the address in your local telephone book, by calling toll-free 1-877-222-VETS (8387), or on the Internet at <http://www.va.gov>.
