- \$30,000 for ASPIRE Community Capital. The nonprofit supports underserved residents who aspire to become or who are already entrepreneurs
- \$25,000 for Prospera North Carolina. The nonprofit provides entrepreneurship programming such as seminars, consulting, grant, capital, or other planning services for

Hispanic-owned small businesses.

Reduce Education Attainment Gaps

- \$56 million is conditionally allocated to Charlotte-Mecklenburg Schools and can be expended once the district provides an educational attainment plan to the Mecklenburg Board of County Commissioners that articulates the district's plan for the spending of County dollars to address gaps in educational attainment. The plan should include quantifiable goals, strategies, targets, and timeframes to:
 - 1) Improve the performance of the 42 low performing schools within the school district
 - 2) Improve performance scores and grades for all individual disaggregated subgroups including economically disadvantaged students and students from major racial and ethnic groups
 - 3) Ensure that that at least 75% of students within all demographic subgroups graduate with at least one State endorsement by the end of the 2024 school year
 - 4) Limit the achievement gap disparity of college and career readiness to no more than 10% for each demographic subgroup by 2024
- Conditionally allocated County funding is for specific administrative categories that **do not impact the classroom.** This represents 11% of CMS's FY2022 County Appropriation.
