

MECKLENBURG COUNTY

Mecklenburg County Grants Locator Users Agreement

Mecklenburg County has recently acquired a one-year software license for a grants search engine. It provides on-line access to federal government and foundation grants in seconds. The County is making this system available to both County departments and community-based (non-profit) grant seekers at no charge.

If you wish to participate, please provide contact information on the attached form and sign below. The vendor will issue you a unique user ID and password for your individual use. Your signature indicates your agreement not to share or release your ID or password to any one else, or change the software in any way. Users are urged to independently verify any funding information resulting from this software, since the County is not responsible for any unforeseen consequences.

If you have any questions or need additional information, please contact Tyane Johnson (980-314-2614; tyane.Johnson@mecklenburgcountync.gov). You may fax back the form to 704-336-2380 or mail it to her at the Mecklenburg County Finance Department, 600 E. Fourth Street, 11th Floor, Charlotte, NC 28202.
