TO REPORT DISEASES BY TELEPHONE:

Animal bite consults: *Al Piercy 704 336-6440*

General Diseases including Hepatitis B: • *Nancy Hill 704 336-5498* • *Jane Hoffman 704 336-5490* • *Lorraine Houser 704 336-6438*

Sexually Transmitted Diseases and HIV/AIDS: *Carlos McCoy 704 336-3355* • *Regional Office 704 336-6480*

Suspected Foodborne Outbreaks: *Bill Hardister 704 336-5533*

Tuberculosis: *Lou Cook 704 921-6316*

To obtain a supply of the North Carolina Communicable Disease Report Cards: *Lisa Sealey 704 336-2817* • *Regional Office 704 336-6480*

- 1 Figures subject to change, diseases **emboldened** are reported within **24 hours** and 7 days for all others diseases.
- 2 This number reflects the number of AIDS cases reported this month to the North Carolina Department of Health and Human Services. As of February 1996, AIDS cases in North Carolina are attributed to year of report. The **cumulative** number for AIDS cases is **1,438** in Mecklenburg County and **11,159** in North Carolina as of December 31, 2001. The **cumulative** number of AIDS cases reported to the CDC is **774,467** as of December 31, 2000. AIDS case reporting began in 1984.
- 3 The **cumulative** number for HIV Infection (not AIDS) is **3,687** in Mecklenburg County and **21,993** in North Carolina. This figure is based on reports of confidential testing done between February 1990 – December 31, 2001.
- 4 Reportable as of June 2001
- 5 raccoon
- 6 Morbidity cards do not always indicate Penicillinase-testing results. The PPNG number is included in gonorrhea total.
