TO REPORT DISEASES BY TELEPHONE:

Animal bite consults: Al Piercy 704 336-6440

General Diseases including Hepatitis B: • Nancy Hill 704 336-5498 • Jane Hoffman 704 336-5490 • Lorraine Houser 704 336-6438 • Beth Quinn 704 336-5398 • Monica O'Lenic 704-336-6436 • Gail Mills 704-353-1270

Sexually Transmitted Diseases and HIV/AIDS: Carlos McCoy 704 336-3355 • Regional Office 704 336-6480

Suspected Foodborne Outbreaks: Bill Hardister 704 336-5533

Tuberculosis: Lou Cook 704 921-6316

To obtain a supply of the North Carolina Communicable Disease Report Cards: Lisa Sealey 704 336-2817 • Regional Office 704 336-6480

- 1 Figures subject to change, diseases **emboldened** are reported within **24 hours** and 7 days for all others diseases.
- 2 This number reflects the number of AIDS cases reported this month to the North Carolina Department of Health and Human Services. As of February 1996, AIDS cases in North Carolina are attributed to year of report. The **cumulative** number for AIDS cases is **1,476** in Mecklenburg County and **11,408** in North Carolina as of June 30, 2002. The **cumulative** number of AIDS cases reported to the CDC is **793,026** as of December 31, 2000. AIDS case reporting began in 1984.
- 3 The **cumulative** number for HIV Infection (not AIDS) is **3,761** in Mecklenburg County and **22,381** in North Carolina. This figure is based on reports of confidential testing done between February 1990 – June 30, 2002.
- 4 1 Raccoon; 1 Fox
- 5 Morbidity cards do not always indicate Penicillinase-testing results. The PPNG number is included in gonorrhea total.
- 6 NR – Not Reportable, Reportable as of February 2002
