

STAYING HEALTHY AT THE MARKET

COVID-19 is not a foodborne illness.

It is extremely unlikely that someone will catch it through eating.
For the safety of our visitors and vendors, we ask that you practice the following while at the market:

Leave Some Space

(Practice Social Distancing and Leave at Least 6 Feet Between You and Others)

Wash Your Hands

(Soap and Water for at Least 20 Seconds)

No Sampling

(Refrain from Sampling Products & Limit Touching Produce)

Cover Your Mouth & Nose

(Use a Tissue When You Cough or Sneeze)

Thank You For Your Continued Support!
