

Violence Free Zone

Think twice before picking up a firearm. Is it worth your life?

**Enough is enough.
Too many young lives are
affected by gun violence
and death.**

Time to talk about gun violence.

- According to CMPD, violent crime is up 5% in Charlotte.
- 1,481 guns have been seized this year.
- More than half of stolen guns are taken from cars.
- There is an increase of guns being found in schools.

Make your home a violence free zone.

Parents:

Talk to your children about:

- Guns
- Mental Health
- What is going on in their life

You may not think they are listening but they hear you.
