Be a voice for your community by serving on the Mecklenburg County Air Quality Commission

Mecklenburg County’s Air Quality Commission (AQC) is currently seeking interested and qualified applicants residing in Mecklenburg County to fill vacancies representing the following sectors: attorney, industry, and public. Selected representatives sit on a twelve member citizen advisory board established by the Mecklenburg Board of County Commissioners (BOCC).

AQC MISSION AND DUTY
Promote the protection, preservation, and enhancement of the ambient air resources of Mecklenburg County, North Carolina.

AQC PURPOSE
Provide citizen and stakeholder input to the BOCC, local municipalities and staff through the review and recommendation of air pollution management policies, long-range plans, operations and their budgetary impacts in order to achieve the above mission.

The AQC meets on the 4th Monday virtually or in person. Appointments to the AQC are made by the County Commissioners and are for usually a three year term.

Apply online if you are interested in serving your community and improving air quality:
