

## Consultants with Asbestos Experience

This list of local companies, or companies with local personnel, has been prepared by MCAQ as a service to those seeking additional assistance with regards to asbestos-related services. MCAQ does not exclude or show preference to any company, and those companies having appropriate accreditation and wishing to be included on this list should notify MCAQ at (704) 336-5430. MCAQ does not evaluate or approve the companies on this list.

In addition to this list, the North Carolina Health Hazards Control Unit (NC HHCU) has a searchable database that can be used to find and/or verify NC accredited asbestos professionals. The database can be accessed by visiting: <http://www.schs.state.nc.us/asbestos/accredited.cfm>
