

# GRADE Impact Regional Distribution

**307 Completed Projects**  
**\$6,080,552.22 Reimbursed**  
**886 tons of Actual NOx Reductions**

Actual NOx reduction data is updated semi-annually and is current through December 2018. The total number of projects is based on the award recipient's home county. Total funds reimbursed and NOx reductions are not limited to the above counties. Dollar figures per county may fluctuate between GRADE Summary Reports based on increased/decreased percentage of use in each county.
