

GRADE Impact Regional Distribution

306 Completed Projects
\$5,921,712 Reimbursed
818 tons of Actual NOx Reductions

Actual NOx reduction data is updated semi-annually and is current through June 2018. The total number of projects is based on the award recipient's home county. Total funds reimbursed and NOx reductions are not limited to the above counties. Dollar figures per county may fluctuate between GRADE Summary Reports based on increased/decreased percentage of use in each county.
