## EMISSION CALCULATION SPREADSHEETS

Emission Calculation Spreadsheets

The following files are excel spreadsheets for use in determining site emissions. Click on the links below to download the Excel files to your computer. If you experience difficulties with these spreadsheets, please e-mail Aaron Matijevic.

Please submit the electronic version on disk as well as the paper version when making your emission calculation submitted to your MCAQ contact. If you would like to e-mail the electronic version directly to your MCAQ contact, please call them at 704-336-5430 to coordinate such action.

Need help reporting emissions or using our spreadsheets? [Refer to the MCAQ Emissions Workbook.](#)
