Limited Conditional Power (LCP) Application Form

Limited Conditional Power (LCP) is used primarily, but not exclusively, to maintain environmental conditions on buildings where a CO or TCO have not been issued, i.e. a building not approved for occupancy. LCP may only be used for construction power with prior departmental approval. The customer must submit a Conditional Utility Plan during the plan review or permit application.

Electrical Permit #: **E** _____ or **Project #:** _____

Building Address:

Conditional Utility Plan (to be filled out by customer)

a) Why LCP is needed: _____

b) Branch circuit or feeder isolation details: _____

c) How will this plan guard against unauthorized extension of LCP power?: _____

d) Submitted By: _____ Date ___/___/_____

NOTE: LCP Power Connect Application will be accepted only after Electric permit is finalized. LCP fees will be charged to the General (Building) Contractor when the LCP connect is requested by the owner, or owner's representative (with written authorization).

The LCP fee is determined by the square feet of the building:

< than 3,000 sq. ft. = \$90; > 3,000 sq. ft. to 10,000 sq. ft. = \$100; > than 10,000 sq. ft. = \$150.

Electrical sign-off: _____ **Accept? Yes**__ / **No**__ **Date** ___/___/_____
