## Key Initiative #6 -- Gross Receipts Tax System Replacement

### Link to Strategic Business Plan:
No

### Description:
The legacy gross receipts tax system has been approved for replacement. The Request for Proposal (RFP) process was completed and a contract with a vendor has been approved. The project began in Q1 of FY 2016. The project is scheduled to end in FY 2020.

### Rationale:
This initiative is a continuation from FY 2019. Approximately $110 Million is collected annually through the thirteen-year-old legacy system. ### Updates/Project Milestones:
- Execute public relations outreach to affected taxpayers.

- Go live.
- Completion of project implementation services.
