II. PLAYING RULES

A. All games will be governed by the NFL FLAG REGULAR SEASON RULE BOOK and the Mecklenburg County Park and Recreation Department’s local rule modifications, as mentioned below. These rules must be strictly adhered to by all staff, officials, coaches, teams, participants, parents and spectators. The Mecklenburg County Park and Recreation Department reserves the right to modify league play rules to accommodate and or enhance the overall experience and/or service being provided. For more information about or to view the NFL FLAG REGULAR SEASON RULE BOOK please visit https://www.nflflag.com/pdf/NFL_FLAG_Regular_Season_Rule_Book_2016.pdf.

B. GENERAL RULES OF THE GAME

1. Starting and Stopping Play: A coin toss will determine the 1st offensive/defensive possession and direction of play (teams may not defer choice for the second half). To begin play, the offensive team will start from their own five (5) yard line and have four (4) plays to cross midfield. Once a team crosses midfield, they will have four (4) plays to score a touchdown. If the offense fails to score, the ball changes possession and the new offense will start its drive from their own five (5) yard line. All possession changes (except interceptions) will start from the five (5) yard line. Each play will begin with a snap from the center to the quarterback. The center may choose to snap the ball between the legs or from the side. Stoppages in play may occur on the following: time outs, penalties, fouls or infractions, out of bounds and incomplete passes, etc. There are no fumbles; therefore, the ball will be spotted at the position of the ball carrier’s feet at the time of dispossession.

2. Formations: The offense must have a minimum of one (1) player on the line of scrimmage (the center) and a maximum of four (4). Only one player may go in motion parallel to the line of scrimmage (motion towards the line of scrimmage is prohibited) (prohibited in 5-6 age group – new in 2017). Offensive players
(excluding the player in motion) must come to a complete stop for one (1) second before the snap. Movement by a player who is set or motion towards the line of scrimmage while in motion is considered a false start.

3. **Blocking:** An offensive player may not impede the progress of any defensive player by occupying the path of pursuit with a "moving player". It is the responsibility of the offensive "moving player" to avoid contact with the rusher. The offensive player may occupy a specific space as a "stationary player" as long as they have both feet planted on the ground and hands are down in front, to the side or in back. The rusher is responsible for avoiding contact with a “stationary player” on offense if he or she is not moving. Moving the feet or hands in the direction of the rusher in an attempt to redirect their path to the quarterback or ball carrier is prohibited and considered illegal blocking. Offensive players are also prohibited from running in front of, beside or behind the ball carrier.

4. **Scoring:**
   - **Touchdowns** - 6 points
   - **PAT (Point After Touchdown)** - 1 point (5-yard line) or 2 points (12-yard line)
   - *(Interceptions on PATs cannot be returned and are whistled dead)*
   - **Safety** - 2 points
   (A safety occurs when a ball carrier is declared down in his or her end zone.)

5. **Running the Ball:** The ball is spotted down where the runner’s feet are when the flag is pulled. The quarterback cannot advance the ball beyond the line of scrimmage by running it ("quarterback” is defined by the person who receives the snap). Pitches, laterals and handoffs (single or multiple) may only occur behind the line of scrimmage. Players who receive handoffs may throw the ball down field. Runners may not leave their feet (i.e. jump, dive, lunge) to avoid a flag pull or to advance the ball. Spinning is allowed, but players may only leave their feet to avoid contact with another player to avoid a flag guarding penalty. “NO RUN ZONES”, located five (5) yards before each end zone and five (5) yards on either side of midfield, are designed to avoid short-yardage power-running situations. **Running the ball is prohibited during plays originating from within these zones (ages 7-8 and 9-10). “No run zones” are not in effect for the 5-6 age group (new in 2017).**

6. **Passing and Receiving:** All forward passes, including shovel passes, must be thrown from behind the line of scrimmage and received beyond the line of scrimmage. *Please note that forward passes differ from back-field laterals and pitches.* The quarterback has a seven (7) second “pass clock” (official’s discretion). If a pass is not thrown within the seven (7) seconds, the play is whistled dead, the down is consumed and the ball is returned to the line of scrimmage. All players are eligible to receive passes, including the quarterback (*if the ball has been handed off/pitched behind the line of scrimmage). Only one player is allowed to be in motion at a time. A player must have at least one foot in bounds when making a catch. In the case of simultaneous possession, possession will stay with
the offense. Interceptions will change possession at the point of the catch and can be advanced.

7. **Rushing the Passer**: Players who rush the passer must be a minimum of seven (7) yards from the line of scrimmage when the ball is snapped (officials will use a special marker to indicate the “rush line”). Defensive players are responsible for checking their positioning. Any number of players may rush in the 7-8 and 9-10 age group. Only one (1) pass rusher is allowed in the 5-6 age group (new in 2017). If a rushing player leaves the “rush line” prior to the snap, he or she may return to the “rush line”, reset and rush legally. Rushing players may attempt to block a pass; however, contact with the quarterback is prohibited. Players not rushing may defend from the line of scrimmage. Once a ball has been handed off, pitched or lateraled, all defensive players are eligible to proceed with pursuit into the back field.

8. **Flag Pulling**: A legal flag pull takes place when a ball carrier is in full possession of the ball. Defensive players may not intentionally pull flags off of a player who is not in possession of the ball. **Defenders may not dive, trip, tackle, hold or run through the ball carrier when pulling flags.** Stripping or attempting to strip the ball is illegal. A player is downed if his or her flag falls off inadvertently. Flag guarding (an attempt by the ball carrier to obstruct the defender’s access to the flags by stiff arming, dropping the head, hand, arm or shoulder, or covering the flags with the jersey) is illegal.

9. **Unsportsmanlike Conduct**: Players who engage in direct or intentional physical contact such as stiff arming, tackling, elbowing, shouldering, pushing, shoving or over-aggressive play will be subject to immediate ejection from the game (official’s discretion). This will also include anyone engaging in profanity, verbal abuse, badgering or taunting of officials, coaches, staff, parents, players, etc. **(SEE THE “ZERO TOLERANCE POLICY” UNDER THE RULES SECTION LABELED IX. CODE OF CONDUCT)**.

10. **Penalties**: The official will call all penalties. Incidental contact resulting from the normal run of play is to be evaluated, allowed and or penalized at the discretion of the official. All penalties will be assessed from the LOS (Line of Scrimmage) except noted SPOT FOULS. Penalties will be assessed at half the distance to the goal yardage when the penalty yardage is more than half the distance to the goal. Only the Head Coach may address officials for rule clarification and interpretation. Players are prohibited from questioning judgment calls. Games may not end on a defensive penalty unless the offense declines it. Coaches reserve the right to decline penalties called on behalf of or in favor of their team.
