Teams may not be formed without a designated head coach.

FREQUENTLY ASKED QUESTIONS

How are leagues organized? Leagues are organized based on the number of teams registered within an age division in a region (North, Central, & South). Generally teams from each of the centers in a region will play together for the regular season. Recreation Centers that do not have sufficient registration to form teams will contact parents and participants offering to relocate them to the nearest center with viable registration numbers. A post-season single-elimination countywide tournament will be held immediately following the regular season for teams advancing from their divisions.

When and where will my child practice? The coaches will contact all parents regarding practice days and times. The time and weekday will be chosen by the volunteer coach assigned to your child's team. Due to coaches volunteering their time to help the children of our community, we like to accommodate their needs and work with their schedules and availability. Practices are typically held on weekday afternoons/evenings, typically at the site or center at which you registered to participate with.

When and where are games played? Games are typically played on Saturdays and will consistently occur at a selected age and skill appropriate facility within the recreation region in which you have registered; however, due to growing participation numbers additional weekday game nights can also be scheduled. Game schedules will be distributed once registration has completed and practices are underway. Game schedules will be balanced with regard to game times. 2019 game sites include but not limited to Revolution Park, Clanton Park, and Berewick Park and Park Road Park.

Can I make requests? Any and all requests should be presented directly to Recreation Center staff at time of registration so that they may try and coordinate them properly. Requests are welcome but not guaranteed.

Where can I find the nearest Recreation Center to me? Visit www.parkandrec.com and under "Quick Links" click on "Find a Rec. Center". You can click on a map of our centers and also click on a specific center's link to find out contact and facility information.
