Preserving the Story
The rich history of American Legion Memorial Stadium will live on through this renewed venue. Every aspect of the stadium will draw from the past, while becoming a modern and reliable asset to the community.

World War I Memorial
A memorial to WWI veterans of Mecklenburg County will be situated between the two major entries, and have high visibility from Charlottetowne and the stadium concourse. Celebration of the military will continue to be an essential part of American Legion Memorial Stadium.
Extension of the Park

The stadium will integrate seamlessly into Independence Park. Pedestrian connections will be incorporated throughout the design.

- **Shade Trees**
  Enhances the visual appeal while providing comfort and scale to those utilizing the plaza.

- **Planting Strips**
  In areas where feasible, simple and hardy ground planting will enhance the pedestrian experience.

- **Seating Areas**
  Provide opportunities for people to comfortably sit while in the ticketing plazas.

- **Change in Material**
  Enhances the ground plane visually while proving subtle delineation of pedestrian spaces.
Multi-Purpose Facility

The signature horse-shoe shaped stone field wall will surround an expanded playing field, which can accommodate a wide variety of sports and activities, with modern safety standards.
Greenway Connector

The greenway connection will be enhanced adjacent to the stadium. Public art will showcase the history of the venue along the pathway.
