Preserving the Story
The rich history of American Legion Memorial Stadium will live on through this renewed venue. Every aspect of the stadium will draw from the past, while becoming a modern and reliable asset to the community.

Extension of the Park
The stadium will integrate seamlessly into Independence Park. Pedestrian connections will be incorporated throughout the design.

Multi-Purpose Facility
The signature home-run shaped stone field wall will surround an expanded playing field, which can accommodate a wide variety of sports and activities, with modern safety standards.

Greenway Connector
The greenway connection will be enhanced adjacent to the stadium. Public art will showcase the history of the venue along the pathway.
