

WARMING HEARTS AND HOMES

Meeting your immediate energy needs

Do you need help paying your heating bill this winter?

The Mecklenburg County Department of Social Services is offering help to residents this winter by providing Low Income Energy Assistance Program (LIEAP) funds to eligible households. LIEAP is a federal program that assists low-income households with their immediate heating needs, so they won't have to choose between heating their homes and buying other necessities.

You do not have to be at risk of disconnection or delinquent to take advantage of this one-time, direct vendor payment in the amount of \$300, \$400, or \$500.
